

Dear Camp Echo Families,

Like you, we're just counting down the days until camp. Well, here's the first step to summer!

Enclosed is our 2012 Camp Echo apparel and accessories catalog to assist you with your camp packing needs. Browse the catalog and check out the enclosed packing list (in the binding of the catalog), then order your camp apparel and accessories by mail, telephone, the Internet, or by visiting one of Lester's many locations. You can find their locations at www.lestersnyc.com/locations.html. Clöz also displays merchandise at various locations throughout the country for "trying on" purposes, so check out the dates and times on the "Camp Fittings" page or on the Clöz Web site (www.clöz.com). Please remember that camp orders are custom and take time to produce. **Ordering early will provide you the opportunity to make any necessary size exchanges and enough time to pack prior to camp.**

IMPORTANT! Clöz Ordering Tips:

- ▶ **Please note, not listed on the Clöz packing list or available through Clöz but REQUIRED are Camp Echo Logo'd tee's and travel tee's. They must be purchased directly through Camp Echo (see enclosed flyer).** The only other **required** items are those located in the first section of the packing list.
- ▶ **Camp Echo Logo'd tops** (tee's, tanks, or sleeveless) **are worn from after breakfast to flag lowering.** Clothing of choice can be worn in the evenings after flag lowering.
- ▶ The enclosed list is a **suggested packing list.** We do recommend that campers pack at least **ten days' worth** of casual camp clothes.
- ▶ **CIT's** will purchase their own CIT shirts directly from Camp Echo. It is not necessary for them to purchase logo'd camper or travel tee's. More info will follow at a later date.
- ▶ We are stocked with all the **athletic equipment** you will need for almost any sport or game (with the exception of shin guards). However, if there's a sport you'd prefer to bring your own equipment for, you can feel free to do so
- ▶ Note that the backless Adidas sandals on page 22 are only permitted as shower and pool shoes; for safety reasons, **sandals must have back straps** to be worn outside the cabin (unless walking to the pool in your village).
- ▶ Camp Echo's cabins offer enough storage space for each camper, but bulky items can clutter the living areas. For this reason, we ask that you **limit the quantities of sheets and towels** to those listed on the packing list and that you use **soft-side trunks** (jumbo duffels) instead of hard trunks where possible. Under-bed storage bins and shoe caddies are also useful, but please limit to one per camper.
- ▶ In order to make sure that your order is filled correctly, DO NOT check the "Ship to Camp" box on the order form.

Soon, you will receive more information on specific packing tips (ie: theme days/colors). If you have any questions, please feel free to call or e-mail the camp office.

Looking forward to a great summer,

Jeff & Cindy
